## 2024

**YOUR INSPIRATIONAL  
TOUR OF GALILEE,  
SAMARIA JUDEA, AND  
AWAITS!**

## June 1 – 10

Around the geographical center of the Gospel story, we find the villages of **Bethlehem, Nazareth, and Capernaum**. The vision Jesus gives to that story is one of movement from his ministry in Galilee to Jerusalem, Judea, Samaria and to the ends of the earth (Acts 1:8). During our tour we will step back into this story as we reflect on the ministry of Jesus from a boat on the **Sea of Galilee**, walk the streets of **Capernaum**, read the Sermon on the Mount from a mount in Galilee, and stand below the rock cliff at **Caesarea Philippi**. While in Judea we will walk in the **Garden of Gethsemane**, visit the temple mount, move along the base of the ancient western wall of the temple, sit on the steps of the **Pool of Siloam**, see the city walls from the house of Caiaphas, search for the empty tomb, and view the ancient city of **Jerusalem** from the top of the **Mount of Olives**. We will also visit a major launching point for the Gospel—**Caesarea Maritima**. As well, the Gospel story has a rich heritage in the history of Israel, so we will also visit sites like **Dan, Hazor, Megiddo,**

**Beth Shan, Beth Shemesh, Jericho, Qumran, Dead Sea, Samaria and Hezekiah's Tunnel.**
